Chevening programme

Dear Hillary Widanama Adare,

I have pleasure in confirming your Chevening scholarship to study MSc Agricultural Technology and Innovation at Royal Agricultural University. Your scholarship will start on 22 Sep 2025 and will continue until the completion of your studies or 30 Sep 2026, whichever is the earlier.

Your scholarship will be administered by the Chevening Secretariat (the Secretariat) on behalf of the Foreign, Commonwealth and Development Office (FCDO) and is offered on the terms and conditions which can be accessed here:
https://www.chevening.org/current_cheveners/policies

The FCDO reserves the right to change the terms and conditions at any time. We work with the Home Office to ensure compliance with the return home policy. Action will be taken if you fail to comply. Your scholarship may be withdrawn if we find that there are significant errors or omissions in the information you have supplied either to the FCDO or the Secretariat in the course of your application.

Your acceptance constitutes a contract between you and the FCDO. In accepting this award, you have agreed to Chevening terms and conditions.

There are two mandatory Chevening events held during the academic year, Orientation and Farewell. Failure to participate in these events may result in a financial penalty being

applied. Orientation will be held in Autumn 2025, and Farewell will be held in Summer 2026. The exact dates will be confirmed closer to the time.

The FCDO is grateful to Royal Agricultural University, which is contributing a part scholarship to the value of 20 per cent of the tuition fees.

The Secretariat will pay to you or on your behalf, during the period of the scholarship:

- A monthly stipend of £1,444
- Travel costs to and from the United Kingdom
- Total academic fees of £22,000 to be paid as follows:

- Homeward Departure Allowance £150 (To be paid at the end of your award once return fare is booked)

You are expected to travel to the UK to start your course in person.
